

Gateways Credential

Renewal of Gateways Technical Assistance Credential (TA) (any level)

Checklist for Renewals

- Applications
 - A current Gateways Registry Membership is required. Complete and return the Gateways Registry Membership Form or renew your membership online.
 - Complete and return the Credential Supplement Application.
- Application Fee
- Submit any certificates of completion that are not listed on your Professional Development Record (PDR) and/or official transcripts that verify completion of the following (since current Credential was awarded):
 - 45 clock hours of training (or 3 semester hours of coursework) related to relationship-based professional development, coaching, and/or mentoring.
 - Clock hours from both college coursework and trainings may be utilized to equal the 45 hours necessary for renewal (Note: 15 clock hours is equivalent to one semester hour of college credit).
 - Trainings/coursework must have been completed within the last five years.

Gateways Credential

Level Advancement
