There are many ways you can meet the CCAP child development, health, and safety training requirements.

Find the one option that works best for you.

Option 1 **Training Route**

- Child Development, Health, and Safety Basics Training
- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined above)

Option 2 **ECE Level 1 Training Route**

- ► ECE Credential Level 1 Training Tier 1 (Modules 1-2c)
- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined above)

This option provides a CCAP add-on rate for License-Exempt Family Child Care Home Providers.

Option 3 **School-Age Route**

Providers who only care for school-aged children (ages 5-13), can choose to take the School-Age and Youth Development Credential Level 1 Training. They would complete the following:

- ➤ SAYD Credential Level 1 Training (Modules 4a & 4b)
- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined on previous page)

For the purpose of CCAP, a school-age child is a child ages 5-13 (or through the age of 18 if approved for CCAP due to a special need or court order) who is enrolled in school. A five year old child is considered school-age only when enrolled in a school based kindergarten. This enrollment does not include a before/after school program. License-Exempt, Relative, Family Child Care Homes caring for school-age only children are exempt from the requirements.

Option 4 **Gateways Credential Route**

Any one of the following Gateways Credentials meets the Child Development, Health, and Safety Basics Training requirement.

- ► ECE Credential Levels 1-6
- ► Infant Toddler Credential (ITC) Levels 2-5
- ► Illinois Director Credential (IDC) Credential Levels I-III
- ► Family Child Care Credential (FCC) Levels 2-5

Also complete the following:

- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined on previous page)

Option 5 **CDA Route**

Any one of the following Child Development Associates (CDA) meets the Child Development, Health, and Safety Basics Training requirement and must be self-reported into the Registry.

- ► Preschool CDA
- ► Infant Toddler CDA
- ► Family Child Care CDA

If you have a Preschool CDA also complete the following:

- ➤ Sudden Infant Death Syndrome (available only online through i-learning)
- ► A Preventable Tragedy: Shaken Baby Syndrome (available only online through i-learning)
- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined above)

If you have an Infant Toddler CDA or Family Child Care CDA also complete the following:

- ► A Preventable Tragedy: Shaken Baby Syndrome (available only online through i-learning)
- ► Child Abuse and Neglect/Mandated Reporter Training
- ► CPR/First Aid Certifications
- ► What is CCAP? (for directors and primary caregivers defined on previous page)
