

Illinois Director Credential (IDC) Technology Assessment (Level I) Center/ School Technology Project

IDC Competencies	<u>TEC1</u> : Demonstrate technological literacy.
Original Gateways IDC Benchmarks	T2, T3

Assessment Guidelines

For this assessment, you will develop a list of criteria for consideration in using, purchasing, implementing and evaluating software programs. You will collect and evaluate 5 software programs and/or application examples in each of the following categories:

- Communication Tools
- Record Keeping and storage tools (i.e. employee, child, parent)
- Data analysis tools
- Budgeting and financial record keeping tools
- Instructional Tools
- Professional Development Tools
- Scheduling Tools
- Inventory Tracking Tools

Assessment Rubric (pulled from IDC Master Rubrics)

Illinois Director Credential (IDC) Technology Assessment (Level I): Center/ School Technology Project Rubric
